CAM Qualifies for State Archery Tournament

We are thrilled to announce that our middle school archery team qualified for the state archery tournament. Our team scored a 2890, placing us 11th out of 16 qualifying teams.

Although our elementary team did not qualify, several of the team members did qualify as individuals to shoot at state. Also, although we don't have enough students for a high school team, we had several students qualify as individuals. Those students included:

- Katelyn Sorensen (4th)
- Gavin Collins (4th)
- Brayden Johnson (4th)
- Trent Price (4th)

- Hannah Gamble (5th)
- Amber Nelson (9th)
- Sydney Whitham (9th)

The team and individuals will compete at the Indiana National Archery in Schools Program (NASP) Tournament in Muncie, Indiana, on March 16. We are unsure of our flight times yet, but we do know that individual qualifiers will have separate flight times from the team, so we do ask that those individuals each have a parent representative there with them.

Students participating in the tournament will be

required to pay the \$25 state entry fee. Because the price has gone up, and we currently have no corporate sponsors, we would love to have anyone interested in sponsoring individual students do so. Please stop by the office to talk to Mrs. Gosman if you are interested.

Practices will be held after school at Cornerstone Baptist Church on Mondays and Fridays from 3:30-5:00 p.m., beginning next Monday.

Congratulations to the coaches and team members who worked so hard!

Voucher Applications Available from the State

The State has made School Choice Scholarship applications available for families interested in applying. This is important for those already receiving the scholarship who would like to reapply as well as for eligible families who plan to enroll new students coming from the public school to our school for the first time.

If you are interested in applying, the first step is to turn in your 2012-13 CAM application for review. Once your child is accepted for next year, please set up a time with Mrs. Gosman to fill out the state application for the Choice Scholarship.

Remember that there are 15,000 scholarships

available throughout the state for the next school year, and we expect the numbers applying to increase from this year. Consider that for timeliness when deciding if and when to apply.

If you have any questions, feel free to stop by the office to ask Mrs. Gosman.

Students Enjoy Spirit Week's Crazy Dress Code

From silly hats and crazy socks to red and pink hearts lovingly applied to a Valentine's Day shirt to kids dressed as their favorite book characters, we have seen some crazy and creative costumes this week. It is obvious the CAM students have thoroughly enjoyed Spirit Week, and we have had some fun looking at their outfits!

Even the teachers made the week fun. Mr. Johnson wore traditional Nigerian attire for his

King Solomon costume, and Ms. Read's "Fern" costume came complete with a giant Charlotte stuck in her front pocket. Ms. Simpson was actually a ladybug! And did you see Mrs. Carter dressed as Princess Amidala?

We are looking forward to seeing the career and patriotic costumes the students plan to wear in the next few days! Take a look at the pictures to the right to see some of our crazy kids!

Heard in K5:

Dawson: "Ms. Simpson, you know that cleaner girl who cleans the floors sometimes?"

Ms. Simpson: "You mean Mrs. Whitham?"

Dawson: "Yeah, Mrs. Twitham! Did you know that she eats pizza for lunch!!?"

**Literally followed by . . .*

Garrett: "Ms. Simpson, do roosters have tongues?"

Announcements:

- We are excited to have Ms. Read's second grade class perform in chapel on Friday. If your child is in second grade, you are invited to attend!
- We are in need of Clorox wipes, tissues, and paper towels . . . AGAIN. We sure go through them fast! Would you like to donate any? We would SO appreciate it!
- Looks like many families have spring break plans already made, so we will have a two-week spring break as scheduled! Thanks for all the input!
- Please bring in all Box Tops by February 27 for the spring collection. Check your expiration dates!

Spirit Week fun! (Top left) Can you see third grade student Isabella Ross underneath that giant sombrero? Awesome! (Top right) K4 student Seth O'Donnell shows off the spinner on his hat. (Middle left) First grade student Mylee Jackinowski takes a break from her Valentines snacks to smile for a picture. (Middle right) Second grade student David Reynolds passes a cupcake to a friend. (Bottom left) Hannah Gamble, fifth grade student, dresses appropriately for her favorite book, which is *The Princess Who Wore Hiking Boots*. (Bottom right) K5 models their lovely book character costumes . . . including that lovely bug, Ms. Simpson!
